Father of Palestinian-American teen killed by Israeli troops speaks to RT

RT NEWS

Mohammed Rabee, father of 14-year-old Amer Rabee killed by Israeli troops in 2025, accuses Washington of abandoning his family despite his son's US citizenship. The US State Department offered condolences but little action has been taken.

He was always thinking he's American, so he's protected. He's free.

Multiplayer functionality developed for Claude

R/CLAUDEAI

A developer created an MCP server enabling direct session connections between separate Claude accounts using single-use codes. The implementation uses end-to-end encryption with no central server.

| *You run create_invite, get a short single-use code, and send it to your friend over whatever channel you already use.*
