German auto workers protest historic job cuts

RT NEWS

Tens of thousands of auto workers across Germany staged protests after Volkswagen announced plans to cut 100,000 jobs. IG Metall warns the automotive industry faces collapse due to high energy costs, US tariffs, and Chinese competition.

We expect corporate leaders and management teams to take responsibility for Germany as an automotive nation, for employees and for jobs.

Trump considering 'blowing up' Iran – Fox News

[RT NEWS](#) · [FOLLOW-UP](#)

President Trump is reportedly weighing options including 'blowing the entire nation up' while remaining open to meeting Iranian President Pezeshkian. The US and Israel launched a war against Iran in February, disrupting maritime traffic and increasing global energy prices.

Trump is considering 'wiping Iran out, letting them rot economically, or making a deal'
