NATO's Article 5 lacks automatic military commitment

RT NEWS

RT News reports that NATO's Article 5 does not guarantee automatic US military response to attacks on allies. The article's ambiguous wording and current US strategic shifts to East Asia raise questions about Washington's defense commitments to European partners.

Robots Cause Traffic Jam in Saint Petersburg Crosswalk

RT EN ESPAÑOL

A swarm of delivery robots created a mini traffic jam at a Saint Petersburg crosswalk in a scene reminiscent of science fiction. The viral video showed the autonomous devices crossing the street together, with some users comparing them to schoolchildren on a field trip.

Opus 5.5 Model Praised for Human-like Communication and Capabilities

R/CLAUDEAI

A Reddit user reports that Opus 5.5 is the first AI model to meet all their needs, citing its human-like communication and intuitive understanding. The model's Blender animation and spatial reasoning skills particularly impressed the user.

With Opus 5.5, for the first time, I can say a model does everything I need it to do.
