RT News: Dockworkers launch global strike against Israeli and US military shipments

RT NEWS · SINGLE SOURCE

Dockworkers across five continents have launched coordinated strikes at 113 ports in 22 countries, targeting Israeli arms shipments and US military cargo. Over 25 unions are participating in 24-hour strikes, blockades, and rallies, potentially delaying over \$2 billion in cargo. The action opposes the militarization of civilian ports and demands an arms embargo on Israel.

“From planes to tanks, guns to bullets, explosives to ammunition, uniforms to boots, our ports have become replenishing and forwarding bases for war and genocide”
