According to El Ojo Noticias, Iran's Khamenei orders unlimited retaliatory military preparation against US and Israel threats

EL OJO NOTICIAS · SINGLE SOURCE

Iran's Supreme Leader Ayatollah Mojtaba Khamenei instructed military commanders to respond immediately and effectively to any threat without territorial restrictions. He ordered combat preparation for a decisive confrontation and directed updating the list of targets to include all US-Israeli assets. This directive follows reports of Donald Trump's plans for large-scale attacks against Iran after US elections.

> *"It will be the Armed Forces of the Islamic Republic and the Iranian nation who will determine the moment and conditions for its end"* (our translation)

TECHNOLOGY

According to r/ClaudeAI, AI assistant books and operates telescopes nightly for astronomical observations

R/CLAUDEAI · SINGLE SOURCE

An AI assistant named Annie has been operating robotic telescopes in Chile, Spain and Utah since last month. The AI selects targets, sets parameters, books observation slots, processes images, and creates astronomical photos including the Helix Nebula, Orion's Belt, and Tarantula Nebula. The user notes the AI 'steers' the telescopes and compares the naming convention to maritime terminology.
