MARXIST PHILOSOPHY OF SCIENCE:

The Newspaper

SUNDAY, 08 NOVEMBER 2026

Today's edition is dominated by escalating geopolitical tensions in the Middle East and Eastern Europe, with US military movements in the region, continued conflict in Ukraine, and growing concerns over technological espionage and infrastructure challenges that are shaping global politics and economics.

ECONOMY AND POLITICS

According to El Ojo Noticias, US Central Command attacked a cargo ship with Saint Kitts and Nevis flag after it left Iranian waters

EL OJO NOTICIAS · SINGLE SOURCE

US Central Command bombed the stern of the bulk carrier Huda on November 7, rendering it out of service. The crew was ordered to evacuate areas that would be hit. Washington claimed the vessel ignored repeated warnings and attempted to cross the US naval blockade against Iran after visiting an Iranian port.
